

DEX DCA **FLEET** **SUPPORT** **PROGRAM**

Driven by value and convenience. Partnering with the dealer you know and trust.

Lower your total cost of ownership and have a single point of contact for all repair communications from quote to delivery.

VALUE:

- Lowered repair costs through component life cycle solutions
- Eliminate unnecessary downtime by having a single point of contact who will own the case from start to finish
- Clear communication on parts, lead times, and deliveries to get the vehicle back on the road
- Gain access to thousands of parts to keep your fleet moving forward

HOW IT WORKS:

- Fleet will sign up through the DEX DCA program (working with their facing dealer)
- DEX will quote Renovated, Recycled, and Surplus parts, and work with facing dealer to compliment the quote with new parts
- DEX will offer a quarterly report of savings obtained by purchasing from DEX
- DEX will act as the intermediary between the fleet and several potential suppliers, thereby reducing repair cost and lead time from quote all the way through delivery of parts

GET STARTED:

1. Contact the Fleet Support Program Specialist at **fleetsupport@dexheavydutyparts.com**
2. DEX will schedule a meeting/interview to gain information about your fleet, your products, and your needs
3. You will be set up to receive preferred support, and given all the info for your single point of contact
4. Continue business as usual, and let us do the hard work of sourcing parts so you can focus on driving your business forward

CHECKDEX

HOW TO VIEW INVENTORY

Visit www.dexheavydutyparts.com

1. Click in the search bar to expand search
2. Choose applicable icon: Renovated, Recycled, or Surplus
3. Select your additional filters and click Find My Part
